

TEST B PLACEMENT GUIDE

Score	0-19 correct	20-30 correct
Placement	<p>Pre-Algebra would be a great fit for your child.</p> <p>*This assumes your child will be in 8th grade or higher OR that your child took Test A and scored 30 or higher.</p>	<p>Algebra I would be a great fit for your child.</p> <p>*Parents know their child best. If your child hasn't taken Pre-Algebra, it is recommended (though not always necessary) to take before Algebra, especially if your child lacks confidence in math or likes working at a slower pace.</p>
